REPORT – DAY 1

Name of the programme: 6 DAYS WORKSHOP ON CLINICAL RESEARCH

Date: 22-04-2024

Resource person: MR. VAMSI. K

Alcon laboratories, Bangalore

Contact number: 8328427364

Bharat Institute of Technology conducting a “6 days’ workshop on Clinical research” In association with Makeintern- IIT Hyderabad from 22-04-2024 to 27-10-2024. For this programme 41 students registered. Programme started with light lampening by Dr. AnuVrat Sharma, Dr. Arifa begum and Mr. Vamsi. Session started after small speech by Principal.

Mr. Vamsi started session by 10:00am with introduction of Clinical research. Topics covered in day 1 session:

- Terminology of documents
- Drug discovery phases- 4 phases
- Drug development process/ overall timeline
- Introduction of regulatory affairs
- Medical terms i) Clinical trail design
 ii) Power of trail
- Observations of clinical studies
- Overview to research studies
- Analytical studies
- Clinical studies
- Types of studies like retro study, randomized and non-randomized studies etc....

All the students participated very actively. The session ended by 4:00pm.

Dear Sir/Madam,

Greetings from TASK!

SmartBridge and Katalon have joined forces to establish a Virtual Internship Program designed to equip non engineering students in India with the necessary knowledge and skills to excel in the job market and navigate in the Software Testing Ecosystem is promoting an educational initiative that has the potential to benefit students in the colleges associated with TASK at no cost to the student community.

The cohort starts from 4th Dec 2023.

This internship provides an opportunity for non-engineering students to gain the skills necessary to create a career in the software industry.

Program Details:**Duration: 2 Months****Structure:**

- 60 Hours of Instructor Led Training
- 30 Hours of Self Paced Learning
- 20 Hours of Project Development

Target Audience:

- All Technical Higher Education Students pursuing their graduation
- All Non Engineering Higher Education Students pursuing their graduation

- All BBA & MBA students pursuing their graduation
- Working professionals switching their career from Non-IT to IT Domains
- Women returning to work after a career gap

Below is the enrollment link to the students for enrolling in the program:

<https://smartinternz.com/katalon-virtual-internship-program-2023>

Program Benefits:

- 100 Hours of Project Based experiential learning experience
- Access to E- learning content on Katalon Studio
- Dedicated Mentor Support
- Receive Virtual Internship Completion Certificate

Please find the attached program overview document for your reference.

Request you to share program information with the colleges under your association and encourage the students to enroll in the program by 02-12-2023.

Thank you, Sir and Madam.

With best regards,

SUMMARY REPORT

A Value-Added Course for B. Pharm IVth Year and M. Pharmacy (Pharmacology) Students organized by the Department of Pharmaceutics at Bharat Institute of Technology-Pharmacy from 11th Dec to 16th Dec 2023. The course was conducted on "**Medical coding and billing training**". The resource person for the course is **Mr. B. Bhaskar**, TASK Trainer. The course started on 11th Dec 2023 with the welcome address by the coordinator **Ms. Rachel niveditha**, Assistant Professor, BIT-Pharmacy introduced the resource person. It ended on 16th Dec 2023 with concluding remarks by the resource person. A total of 89 students participated and completed the course. The overall feedback from the participants was very good.

Course Objectives:

- Understand Medical Coding and Billing Basics
- Learn to Navigate Coding Systems
- Develop Proficiency in Coding Procedures
- Understand Billing Procedures and Compliance
- Enhance Skills in Claims Processing and Reimbursement
- Prepare for Certification and Professional Development

Course Outcomes:

- Describe Medical Coding and Billing Processes
- Accurately Code Medical Diagnoses and Procedures
- Complete Billing Procedures and Ensure Compliance
- Handle Claims Processing and Address Billing Issues
- Utilize Coding and Billing Technologies
- Prepare for Certification and Career Advancement

Date& Time	Topic	No. of Hours
11 th Dec 2023 10:00am to 4:00PM	Introduction to Medical Coding and Billing Introduction to Medical Coding Understanding Medical Billing: Concepts and Processes Overview of ICD, CPT, and HCPCS Coding Systems Case Study: Coding and Billing Scenarios	5
12 th Dec 2023 10:00am to 4:00PM	In-Depth ICD Coding Introduction to ICD-10-CM Coding Advanced ICD-10-CM Coding: Case Studies and Practice Coding Compliance and Best Practices Hands-On Workshop: ICD-10-CM Coding Exercises	5

Bharat Institute of Technology

SUMMARY REPORT

An Add-on program for B. Pharm IVth Year and M. Pharmacy (Pharmacology) Students organized by the Department of Pharmacology at Bharat Institute of Technology-Pharmacy from 05th Feb to 10th Feb 2024. The course was conducted on "Pharmacovigilance". The resource person for the course is **Mr. M. Satish kumar** TASK Trainer. The course started on 05th Feb 2024 with the welcome address by the coordinator Mrs. P. Twila pushpa, Assistant Professor, BIT-Pharmacy introduced the resource person. It ended on 10th 2024 with concluding remarks by the resource person. A total of 89 students participated and completed the course. The overall feedback from the participants was very good.

Course Objectives:

- Understand the Fundamentals of Pharmacovigilance
- Learn Regulatory Frameworks and Guidelines
- Develop Skills in Adverse Drug Reaction (ADR) Reporting
- Explore Signal Detection and Risk Management
- Enhance Knowledge of Pharmacovigilance Systems and Technologies
- Prepare for Real-World Pharmacovigilance Challenges

Course Outcomes:

- Articulate Core Concepts and Regulatory Requirements
- Execute Accurate ADR Reporting
- Analyze and Interpret Signal Data
- Utilize Pharmacovigilance Technologies
- Address Practical Challenges and Implement Best Practices
- Prepare for Certification and Career Development

Date& Time	Topic	No. of Hours
05 th Feb 2024 10:00am to 4:00pm	Introduction to Pharmacovigilance Overview of Pharmacovigilance, Regulatory Frameworks and Guidelines Adverse Drug Reactions (ADRs) and Their Classification Case Studies: Analyzing Real-Life ADR Cases	5

Bharat Institute of Technology

Mangalpally, Ibrahimpatnam, R.R.District, Pin-501510

(Affiliated to Jntuh, Approved by Aicte and Pci, New Delhi. Accredited By Naac)

06 th Feb 2024 10:00am to 4:00pm	Data Collection and Reporting Methods of Data Collection in Pharmacovigilance Reporting ADRs: Procedures and Requirements Electronic Health Records (EHR) and Their Role in Pharmacovigilance Hands-On Workshop: Filling Out ADR Report Forms	5
07 th Feb 2024 10:00am to 4:00pm	Signal Detection and Risk Management Signal Detection Techniques and Methodologies Risk Assessment and Risk Management Strategies Risk Communication: How to Effectively Communicate Risks Group Activity: Developing Risk Management Plans	5
08 th Feb 2024 10:00am to 4:00pm	Pharmacovigilance Systems and Technology Pharmacovigilance Information Systems and Software Data Integration and Analysis Techniques Practical Session: Using Pharmacovigilance Software Trends and Innovations in Pharmacovigilance Technology	5
09 th Feb 2024 10:00am to 5:00pm	Practical Applications and Future Directions Practical Applications of Pharmacovigilance Principles Preparing for Audits and Inspections	6
10 th Feb 2024 10:00am to 5:00pm	Future Trends in Pharmacovigilance Panel Discussion: Challenges and Opportunities in Pharmacovigilance Closing Remarks and Certificate Distribution	6

Vision

To build nation's one among the best centers of excellence engaged in providing overall pharmaceutical Education including training and research. Bharat Institute of technology (Pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

Mission

M1: To bring students India's best education, as combination of teaching theory and practical application of knowledge and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in pharmaceutical industry in academic and health care sector.

M2: To impart education, in a conducive ambience as comprehensive as possible, with the support of modern technologies and pedagogic tools and thereby develop in the students abilities and passions to work wisely, creatively and effectively for the betterment of society.

M3: to impart a value-based education, where the mind, body and the soul are holistically developed and major purpose of life is seen in the mankind and meeting the great challenges of the future.

REPORT – DAY 1

NAME OF THE PROGRAMME: 6 DAYS WORKSHOP ON COMPUTER
AIDED DRUG DESIGN (CADD)

DATE: 10-07-2023

RESOURCE PERSON: Dr. T. KARUNAKAR

Director@qstatix, hyderabad

Contact number: 9951155688

Bharat Institute of Technology conducting a “6 days workshop on Computer aided drug design (CADD)” In association with Makeintern- IIT Hyderabad from 10-07-2023 to 15-07-2023. For this programme 40 students registered. Programme started with light lampening by Dr. AnuVrat Sharma, Dr. Arifa begum and Dr. Karunakar. Session started after small speech by principal.

Dr. Karunakar started session by 10:00 AM. Sir started session with introduction of CADD. Topics covered in day 1 session:

- Steps involved in drug discovery
- Basic components of CADD
- Tools used in CADD
- Software setup i.e chemsketch for designing molecular structure
- PYMOL Visualizing software 3D
- Practice chemical structures.

All the students participated very actively. The session ended by 4:00pm.

Director@Qstatix, Hyderabad

Contact Number: 9951155688

Bharat Institute of Technology conducting a 6 days workshop on Computer aided drug design (CADD) In association with Makeintern- IIT Hyderabad from 10-07-2023 to 15-07-2023. For this programme 40 students registered.

Dr. Karunakar started session by 10:00 AM. Sir started session with History of CADD. Topics covered in day 2 session:

- Structure of amino acids, DNA and RNA
- Databases
- Biological data types
- Introduction to PDB
 - ✓ Swiss ADME
 - ✓ Saves server

All the students participated very actively. The session ended by 4:00pm.

Vision

To build nation's one among the best centers of excellence engaged in providing overall pharmaceutical Education including training and research. Bharat Institute of technology (Pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

Mission

M1: To bring students India's best education, as combination of teaching theory and practical application of knowledge and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in pharmaceutical industry in academic and health care sector.

M2: To impart education, in a conducive ambience as comprehensive as possible, with the support of modern technologies and pedagogic tools and thereby develop in the students abilities and passions to work wisely, creatively and effectively for the betterment of society.

M3: to impart a value-based education, where the mind, body and the soul are holistically developed and major purpose of life is seen in the mankind and meeting the great challenges of the future.
