6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

The sole objective of Bharat Institute of Technology (BIT) is, 'Welfare of Masses'. BIT is offering higher education to the diversified class of students over last 25 years. In order to get success in every aspect the college has chalked out the perspective plan through careful planning and execution in order to achieve the vision of the college. BIT works with a vision, "To be a premier pharmacy institute achieving excellence in teaching, value education, research and consultancy in core areas and be engaged in the service in promoting continued education". In order to achieve the vision, the college have the mission to educate students from diverse backgrounds in the fundamental skills, knowledge through a curriculum designed by the university and to prepare them for pharmacy professional positions in service organizations, pharmaceutical industries, other healthcare fields and also to promote a spirit of innovation and entrepreneurship amongst themselves. In view of the vision statement, the college administration is continuously striving to achieve excellence in teaching, value education, research and consultancy and promotion of continued education. The vision and mission of the college can be easily perceived and reflected in the form of physical infrastructure, teaching learning methodologies, student centric activities offered by the college, perception of the students and peer group evident from the feedback taken periodically, and the impressive retention rate of the faculty. As a result of student centric activities and their participative role in various committees the students of UG program prefer to pursue their PG program only from BIT. Management, Principal and the faculty members are consistently putting every effort in the overall development of the students as well as other stakeholders. In order to observe smooth conduct of day to day work the Principal formulated various committees and the portfolios are distributed to the faculty members and involve them in decision making process wherever necessary in the interest of the college suggesting the participative management of the faculty and support staff in day to day functioning of the college. There is adequate representation of all stakeholders in the IQAC, Governing Council and overall policy making process in order to achieve stated vision and mission of the college. IQAC plays an important role in the matters related to promotion of quality and sustainability initiatives consistently. Furthermore, and in order to become truly participative management, the students also have been given adequate
