Vision

To build the nation's one among the best centers of excellence engaged in providing overall Pharmaceutical education including training and research. Bharat Institute of technology (pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

Mission

M1: To bring to students India's best education, as a combination of teaching theory and practical application of knowledge, and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in the pharmaceutical industry, in academic and health care sector.

M2: To impart education, in a conducive ambience, as comprehensive as possible, with the support of modern technologies and pedagogic tools, and thereby develop in students the abilities and passions to work wisely, creatively and effectively for the betterment of the society.

M3: To impart a Value Based education, where the mind, body and the soul are holistically developed, and major purpose of life is seen by mankind and meeting the great challenges of the future.

Vision

To build the nation's one among the best centers of excellence engaged in providing overall Pharmaceutical education including training and research. Bharat Institute of technology (pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

Mission

M1: To bring to students India's best education, as a combination of teaching theory and practical application of knowledge, and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in the pharmaceutical industry, academic and health care sector.

M2: To impart education, in a conducive ambience, as comprehensive as possible, with the support of modern technologies and pedagogic tools, and thereby develop in students the abilities and passions to work wisely, creatively and effectively for the betterment of the society.

M3: To impart a Value Based education, where the mind, body and the soul are holistically developed, and major purpose of life is so by mankind and meeting the great challenges of the future.

Signature of the Student

Vision

To build the nation's one among the best centers of excellence engaged in providing overall Pharmaceutical education including training and research. Bharat Institute of technology (pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

Mission

M1: To bring to students India's best education, as a combination of teaching theory and practical application of knowledge, and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in the pharmaceutical industry, in academic and health care sector.

M2: To impart education, in a conducive ambience, as comprehensive as possible, with the support of modern technologies and pedagogic tools, and thereby develop in students the abilities and passions to work wisely, creatively and effectively for the betterment of the society.

M3: To impart a Value Based education, where the mind, body and the soul are holistically developed, and major purpose of life is seen by mankind and meeting the great challenges of the future.

STUDENTS FEEDBACK FORM (AY: 2019-2020)

FEEDBACK ON CURRICULUM

Name of Student: Vinay Saei

Yr/Sem: III/II

Evaluation Scale				
1	2	3	4	5
Poor	Average	Good	Very Good	Excellent

Sl. No.	Parameters	1	2	3	4	5
1.	Curriculum load is optimum and induces no pressure.					✓
2.	Course outcomes and program outcomes are clearly stated.					✓
3.	Curriculum is effective in achieving in-depth knowledge and technical skills.				✓	
4.	Assessment strategies are clearly stated.				✓	
5.	Curriculum is reviewed and update regularly.			✓		
6.	Curriculum takes care of improving communication and presentation skills.				✓	
7.	Website is informative and updated regularly with regard to curriculum.					✓

8. Curricular gap, if any (Any content which you feel would improve your personality/employability/entrepreneurial skills or prepare yourself to face challenges in life):

...provide... power points... syllabus

Signature of the Student

Vision

To build the nation's one among the best centers of excellence engaged in providing overall Pharmaceutical education including training and research. Bharat Institute of technology (pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

Mission

M1: To bring to students India's best education, as a combination of teaching theory and practical application of knowledge, and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in the pharmaceutical industry, in academic and health care sector.

M2: To impart education, in a conducive ambience, as comprehensive as possible, with the support of modern technologies and pedagogic tools, and thereby develop in students the abilities and passions to work wisely, creatively and effectively for the betterment of the society.

M3: To impart a Value Based education, where the mind, body and the soul are holistically developed, and major purpose of life is seen by mankind and meeting the great challenges of the future.

FACULTY FEEDBACK ON CURRICULUM

Name of the Faculty: <i>R. Divya</i>	Academic year: <i>2021-22</i>
--------------------------------------	-------------------------------

Dear Faculty Members,

The purpose of this feedback is to obtain the input on the quality of education. Please give your view to assess the quality of the courses in the academic program.

Ratings are 5-pointscale:

1-Excellent 2-VeryGood 3-Good 4-Satisfactory 5-Unsatisfactory

S. No.	COURSE CONTENT	1	2	3	4	5
1.	Current curriculum is developed based on the recommendations from the experts and need based			✓		
2.	Curriculum includes recent advances in the respective domain				✓	
3.	PO, PSO, and Cos of the curriculum are well-defined				✓	
4.	Curriculum have good academic flexibility			✓		
5.	The curriculum fulfils the intellectual needs of the students			✓		
6.	Curriculum enhances employability skills of the students				✓	
7.	The curriculum has a good balance between theory and laboratory work				✓	
8.	The depth of the course content is adequate to have significant learning outcomes			✓		
9.	The course had bad scope to include ICT enabled teaching			✓		
10.	The content of the courses handles by me has increased my knowledge and perspective in the subject area			✓
