- (8) In order to ensure the 'ragging free environment' in the campus, each institution shall compulsorily in the 'prospectus' and other admission related documents, shall depict the earlier directions of the Apex court and/or of the Central or State Governments as applicable, so that candidates and their parents are sensitized in respect of the prohibition and consequences of ragging.
- (9) Each institution should engage or seek the assistance of 'professional counselor' at the time of admissions to counsel 'freshers' in order to prepare them for the life ahead, specially for adjusting to the life in hostels.
- (10) It should be ensured that there would be a clear gap of one to two weeks between the date of joining of 'freshers' and the 'seniors', ensuring that classes for the seniors shall commence later, so as to enable the 'freshers' to familiarize themselves with the campus environment and adjust to the sudden changeover from schools to higher education.
- (11) It shall be mandatory for the institutions to inform the parents of senior students to send their wards only on the due date of commencement of the academic session and not earlier.
- (12) All the examining Universities with which the institutions are affiliated or the deemed to be Universities shall compulsorily amend their relevant ordinances or by laws, as the case may be, to incorporate the schedule gap of one or two weeks between the date joining of 'freshers' and 'seniors'.
- (13) Each institution shall arrange a joint 'sensitization' programme and 'counselling' of both 'freshers' and 'seniors' to be addressed by the Principal/Head of the institution and the Convener of the Anti Ragging Committee. The inmates of the Hostel shall be addressed on this count by the Hostel Warden.
- (14) Each institution shall have an Anti-Ragging Committee and Anti Ragging Squad, which shall comprise of other than senior teachers of the institution, representatives of Civil & Police administration and local media.
- (15) Each institution shall constitute a 'Mentoring Cell' to oversee and involve senior students as 'Mentors' for the 'freshers'.
- (16) Such a Mentoring Cell shall be constituted at the end of every academic year, where application shall be invited from the students to join the Mentoring Cell as Mentors for the succeeding academic year.
- (17) An anonymous random survey shall be conducted by each institution across the entire 1st year batch of students every fortnight during the first three months of the academic session in order to verify and cross-check whether the campus is genuinely ragging free or not.
- (18) The methodology of such survey may be designed by the institution appropriately. However, doing so it shall be ensured that the institution does not compromise with the anonymity of the 'whistle blowers'.
- (19) The institutions shall ensure that private commercially managed lodges or hostels outside campuses, must be registered with the local Police Authorities and permission to start such hostel or their registration must necessarily be recommended by the Heads of the pharmacy Institutions.

- (20) The Anti-Ragging Squad, in contrast, should be a body with vigil, oversight and patrolling functions and should appropriately be a smaller body which should be nominated by the Head of the institution with such representation as considered necessary to keep it mobile, alert and active at all times. The Squad may be called upon to make surprise raids on hostels and other hot spots and should be empowered to inspect places of potential ragging. The Squad should work under the overall guidance of the Anti-Ragging Committee. The Squad should not have any outside representation and should only consist of members belonging to the various sections of the campus community.
- (21) All matters of discipline within teaching institutions, must be resolved within the campus – except those impinging on law and order or breach of peace or public tranquility, all of which should be dealt with under the penal laws of the land.
- (22) At the level of the University, there should be a Monitoring Cell on Ragging, which should coordinate with the affiliated colleges and institutions under its domain. The Cell should call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committees, Anti-Ragging Squads, Mentoring Cells at the level of the institution, the compliance with instructions on conducting orientation programmes, counselling sessions, the incidents of ragging, the problems faced by wardens or other officials. It should also keep itself abreast of the decisions of the District level Anti-Ragging Committee. This Monitoring Cell should also review the efforts made by institutions to publicize anti-ragging measures, soliciting of undertaking from parents and students each year to abstain from ragging activities or willingness to be penalized for violations; and should function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes of Ordinances or Bye-laws to facilitate the implementation of anti-ragging measures at the level of the institution.
- (23) In the light of the increasing number of private commercially managed lodges or hostels outside campuses, such hostels and management must be registered with the local police authorities and permission to start such hostels or register them must necessarily be recommended by the Heads of educational institutions. It should be mandatory for both local police, local administration as well as the institutional authorities to ensure vigil on incidents that may come within the definition of ragging. Managements of such private hostels should be responsible for non-reporting of cases of ragging in such premises. Local authorities as well as the institutional authorities should be responsible for action in the event of ragging in such premises, just as they would be for incidents within campuses.
- (24) Besides registering private hostels as stated above, the towns or cities where educational institutions are located should be apportioned as sectors among faculty members, so that they could maintain vigil and report any incidents of ragging outside campuses and en route while 'freshers' commute.
