UNIVERSITY of GREENWICH

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specified above. You will shortly receive a second emailed offer letter which will include your 'Student ID' which you will need to arrange payment of the pre-registration deposit and to accept your offer of place. If you have not received this email and you wish to pay your deposit, please contact your agent who will obtain the 'Student ID' from the university or email international@gre.ac.uk

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at https://www.gre.ac.uk/finance/fees or by contacting international@gre.ac.uk

For students assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI – X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at http://www2.gre.ac.uk/current-students/regs/?a=1441173.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at https://www.gov.uk/browse/visas-immigration/student-visas

Useful information is also available on the UKCISA (UK Council for International Student Affairs) web-link http://www.ukcisa.org.uk/

UNIVERSITY of GREENWICH

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are *'in London'* and our Medway Campus is '*outside London'*. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details.
