ABOUT THE COLLEGE

Bharat Institute of Technology was established in the year 1999 by the Chinta Reddy Madhusudhan Reddy Educational Society with the noble aim of imparting quality pharmacy education to students aspiring to become responsible pharmacists and to cater to the needs of pharmacy profession. The college is situated in a sprawling 120 acre of campus situated 24 km from the heart of the city. The focus of the architecture of the gigantic pharmacy building is to provide the bright ambience needed for the overall growth of both the students and faculty. Bharat Institute of Technologies (BIT) mission is to impart the higher education to both urban and rural students in the field of pharmacy and to conduct advanced research programmes in fostering close partnership with R&D institutions and industries. Nurturing young minds into passionate pharma professionals. Institution is progressing under the leadership of Sri CH. VENUGOPAL REDDY garu, Chairman and Secretary, Bharat Group of Institutions, a dedicated, quality maintaining and passionate educationalist. Personal care to each student for the betterment of their bright future. The institution provides a joyful learning experience in a holistic and an ambient environment.

VISION

To build the nation's one among the best centres of excellence engaged in providing overall pharmaceutical education including training and research. Bharat Institute of technology (pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

MISSION

M1: To bring to students India's best education, as a combination of teaching theory and practical application of knowledge, and research in pharmaceutical sciences to train them to many positions of leadership and responsibility in the pharmaceutical industry, in academic and health care sector.

M2: To impart education, in a conducive ambience, as comprehensive as possible, with the support of modern technologies and pedagogic tools, and thereby develop in students the abilities and passions to work wisely, creatively, and effectively for the betterment of the society.

M3: To impart a Value Based education, where the mind, body and the soul are holistically developed, and major purpose of life is seen by mankind and meeting the great challenges of the future.
