6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

The sole objective of Bharat Institute of Technology (BIT) is, 'Welfare of Masses'. BIT is offering higher education to the diversified class of students over last 25 years. In order to get success in every aspect the college has chalked out the perspective plan through careful planning and execution in order to achieve the vision of the college. BIT works with a vision, "To be a premier pharmacy institute achieving excellence in teaching, value education, research and consultancy in core areas and be engaged in the service in promoting continued education". In order to achieve the vision, the college have the mission to educate students from diverse backgrounds in the fundamental skills, knowledge through a curriculum designed by the university and to prepare them for pharmacy professional positions in service organizations, pharmaceutical industries, other healthcare fields and also to promote a spirit of innovation and entrepreneurship amongst themselves. In view of the vision statement, the college administration is continuously striving to achieve excellence in teaching, value education, research and consultancy and promotion of continued education. The vision and mission of the college can be easily perceived and reflected in the form of physical infrastructure, teaching learning methodologies, student centric activities offered by the college, perception of the students and peer group evident from the feedback taken periodically, and the impressive retention rate of the faculty. As a result of student centric activities and their participative role in various committees the students of UG program prefer to pursue their PG program only from BIT. Management, Principal and the faculty members are consistently putting every effort in the overall development of the students as well as other stakeholders. In order to observe smooth conduct of day to day work the Principal formulated various committees and the portfolios are distributed to the faculty members and involve them in decision making process wherever necessary in the interest of the college suggesting the participative management of the faculty and support staff in day to day functioning of the college. There is adequate representation of all stakeholders in the IQAC, Governing Council and overall policy making process in order to achieve stated vision and mission of the college. IQAC plays an important role in the matters related to promotion of quality and sustainability initiatives consistently. Furthermore, and in order to become truly participative management, the students also have been given adequate

VISION

To build the nation one among the best centers of excellence engaged in providing overall pharmaceutical education including training and research. Bharat Institute of Technology (Pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

MISSION

M1: To bring to students India's best education, as a combination of teaching theory and practical application of knowledge and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in the pharmaceutical industry, academic and health care sector.

M2: To impart education, in a conducive ambience, as comprehensive as possible, with the support of modern technologies and pedagogic tools, and thereby develop in students the abilities and passions to work wisely, creatively and effectively for the betterment of the society.

M3: To impart a value based education, where the mind, body and the soul are holistically developed, major purpose of life is seen by mankind and meeting the great challenges of the future.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The BIT management extended their guidance, support and administrative flexibility to the Principal of the college and strongly believes in decentralization and participative management. Principal acts as the administrative head of the college and ensure the process of decentralization and participative management at various level possible for achieving higher in every aspect. All the policy decisions are taken by the management and various committees such as GC and IQAC of which the principal is a Member Secretary. The financial matter of the college is looked after by the Principal under the guidance and support from the Management of BIT. In order to observe smooth conduct of day to day work the Principal has formulated various committees and the portfolios are distributed to the faculty members suggesting the participative management of the faculty and support staff in day to day functioning of the college. In order to practice decentralization and participative management by all the stakeholders the college has formed various committees and subcommittees like Examination Committee, Academic Committee, Discipline Committee, Cultural committee, Sports committee etc. to name a few. In total there are 18 sub-committees where not only faculty and support staff but the students were also act as member and contribute in various activities. The work of the college administration is decentralized and the various subcommittees formed at the beginning of the academic year support the system by playing their role to fullest capacity for the overall development of the college. The students are the member in almost all the committee except examination and purchase committee. The presence of students in almost every committee helps understanding their needs in almost every aspect of the development for all the stakeholders. As a result of this decentralization and participative management, the college is able to achieve various milestones in very short span of 25 years since its inception. It is because of the decentralization and participative management, where the faculty members, students and other stakeholders contributed to their greatest potential, the college is able to achieve various milestones in last 25 years. The evidence of the success of decentralization and participative management is clearly evident from the following achievements consistently over a period:

Recognition by UGC under section 2(f).

The presence of students in almost every committee helps understanding their needs in almost every aspect of the development for all the stakeholders. As a result of this decentralization and participative management, the college is able to achieve various milestones in very short span of 25 years since its inception. It is because of the decentralization and participative management, where the faculty members, students and other stakeholders contributed to their greatest potential, the college is able to achieve various milestones in last 25 years. The evidence of the success of decentralization and participative management is clearly evident from the following achievements consistently over a period:

Recognition by UGC under section 2(f).
