5. To support this daily class report was also recorded by the class representative and signed by the teacher incharge to know the status of day to day curriculum assessment. Parent communication records are possessed by each class teacher incharge where in the contact numbers of both the parents are taken. If the student is repeatedly absent for many days without information, The message will be passed to the parents and explanation or reason can be taken from them.
6. Student mentoring/counseling registers are initially recorded individually at the time of orientation and the details of parents and their inputs/concerns on their child are also recorded in their presence. The overall progress of the student starting from joining is recorded. If the progress of student is not satisfactory, counseling is done to improve his/her academic strength.

Mostly the syllabus of the individual subjects are completing within the stipulated time. Daily class report brought confidence among the students, so that they have the clear idea of the subject, completed topics and the left over topics. PCR calls improved the individual attendance percentage as all the students including those staying in hostels attended classes regularly. It also brought the assurance among the parents regarding their child, as the progress is regularly known to them. Some of the parents even communicate to the teacher incharges regarding counseling of their child.
8. **PROBLEMS ENCOUNTERED:** Required to train the new faculty regarding filling of teacher's diary. Some parents are busy and they cannot take the calls, at that time they are communicated with SMS only without any response. Care takers of the hostel students who are residing in far places cannot attend to college to discuss any critical issue with the child. Sometimes students make their friends to talk to teacher incharges representing their parents without knowledge of their actual parents.
9. **Resources required:**
Individual Records for mentoring/ counseling registers. Specific time is required to fill all the registers. Teacher incharge should communicate properly and convey the actual information in a decent way.

These include

PARENT COMMUNICATION REGISTER (PCR): The Main aim of our Parent Communication Register is to maintain minimum attendance for each student and to establish a good communication between Student Mentor and parent. The intended outcomes of this best practice are as follows:

1. It is the responsibility of mentor to call the parents of absent students every day and inform them about student absence and note the details given by the parent in this register.
2. If the mentor is absent, it is the duty of class in charge I/C to communicate with the parents about the absence of students of the respective class
3. Parents contact details must be taken from the Admission form or student Mentoring report and not from the student
4. Class I/C should verify communication register of all the members of the class every day. Periodic verification should be done by the department Admin I/C and members of the Academic council. A note with remarks should be made below the last entry made in the register along with signature and date of verifying authority (i.e., Class I/C, Department Admin I/C, Members of Academic Council).

We have seen over the years that the process of manual attendance is being carried out across almost all educational institutions. Even though it is time consuming it is the responsibility of a mentor to motivate the students and made them regular and punctual to attain a good character.

BHARAT INSTITUTE OF TECHNOLOGY

Mangalpally, Ibrahimpatnam, R. R. District, PIN-501510

(Affiliated to JNTUH, Approved by AICTE and PCI, New Delhi. Accredited by NAAC)

We need to maintain pen and paper based attendance registers. The main issues a mentor will be facing during this process is, a call may not connect to the parents due to network issues and some parents may not attend the calls due to their busy schedules.

DAILY CLASS WORK REPORT (DCR)

The main aim of this DCR is to ensure the compliance between the actual lesson plan planned by a faculty and executing the topic during the class.

This report will be maintained by the class representative (CR) / Student of the class. It contains a report on a particular class not held, if there is any delay in the start of a class, if any topic covered in a subject on a particular day does not match with actual lesson plan of the subject.

The academic I/C had to verify the DCR weekly once and notice if any deviations from the plan proposed by the faculty at the starting of academic year.

ACADEMIC DIARY

This practice comprises the roles and responsibilities of the academician (Assistant Professor, Associate professor, Professor). The main motive of this practice is to have knowledge on the various duties of faculty to work with commitment and serve for the better profession.

It includes where the faculty has to plan their lesson plan priory before commencing of academic year and work accordingly to complete the syllabus within the time frame in order to avoid last minute difficulties.

It also helps the faculty members to plan for any mock test, assignments, seminars, working models, by giving certain tasks to the students and create more subject interest to the students by gaining their attention.

ADMIN DIARY

This practice comprises the roles and responsibilities of the academician (Assistant Professor, Associate professor, Professor). The main motive of this practice is to have knowledge on the various duties of faculty to work with commitment and serve better for the profession.

BEST PRACTISES - CULTURAL CLUBS 2019-20

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The best practices of our institution are

- I. Curricular Activities.
- II. Co- Curricular Activities

Curricular Activities

1. Parent communication register PCR

The Main aim of our Parent Communication Register is to maintain minimum attendance for each student and to establish a good communication between Student Mentor and parent.

The intended outcomes of this best practice are as follows:

1. It is the responsibility of mentor to call the parents of absent students every day and inform them about student absence and note the details given by the parent in this register.
2. If the mentor is absent, it is the duty of class in charge I/C to communicate with the parents about the absence of students of the respective class
3. Parents contact details must be taken from the Admission form or student Mentoring report and not from the student 4. Class I/C should verify communication register of all the members of the class every day. Periodic verification should be done by the department Admin I/C and members of the Academic council. A note with remarks should be made below the last entry made in the register along with signature and date of verifying authority (i.e., Class I/C, Department Admin I/C, Members of Academic Council).

We have seen over the years that the process of manual attendance is being carried out across almost all educational institutions. Even though it is time consuming it is the responsibility of a mentor to motivate the students and made them regular and punctual to attain a good character. We need to maintain pen and paper based attendance registers.

The main issues a mentor will be facing during this process is, a call may not connect to the parents due to network issues and some parents may not attend the calls due to their busy schedules.

2. DAILY CLASS WORK REPORT

The main aim of this DCR is to ensure the compliance between the actual lesson plan planed by a faculty and executing the topic during the class.

This report will be maintained by the class representative (CR) / Student of the class. It contains a report on a particular class not held, if there is any delay in the start of a class, if any topic covered in a subject on a particular day does not match with actual lesson plan of the subject.

The academic I/C had to verify the DCR weekly once and notice if any deviations from the plan proposed by the faculty at the starting of academic year.

3. ACADEMIC DAIRY

This practice comprises the roles and responsibilities of the academician (Assistant Professor, Associate professor, Professor). The main motive of this practice is to have knowledge on the various duties of faculty to work with commitment and serve for the better profession.

It includes where the faculty has to plan their lesson plan priory before commencing of academic year and work accordingly to complete the syllabus within the time frame in order to avoid last minute difficulties.

It also helps the faculty members to plan for any mock test, assignments, seminars, working models, by giving certain tasks to the students and create more subject interest to the students by gaining their attention.

4. ADMIN DAIRY

This practice comprises the roles and responsibilities of the academician (Assistant Professor, Associate professor, Professor). The main motive of this practice is to have knowledge on the various duties of faculty to work with commitment and serve better for the profession.

It includes a format that has to be mentioned, the highlights of activities (other than teaching theory classes) performed during the free slots. This has to be certified by the admin in charge periodically and ensure the work done by faculty accordingly.

కరోన కంటేలు మూసిన బరహులు
క్రియాశీలక నిరుద్యోగులు
క్షణం క్షణం లక్ష్య నిర్ణయం
-యజ్ఞయజ్ఞ -యజ్ఞయజ్ఞ యజ్ఞ
అకలి దుష్టము మరచి కష్టపడతారు
కష్టం తెలియని వారు, సస్తి పాపం, ధనముతులకు
అందుకే కలు విలువ నిర్ణయం కరోన కళం.

దేవుడు దేవతలు, దేవతలు, దుష్టములు
ఘనమైన గతం కోరుకు తేవనీ
గోమత దేవత దేవతలు.
తరుల పొట్టును ముందుగా అనుమతి
కష్టములను!!
దేవుడు అనే ఆత్మవర్ణన పాతకం.
మన దేవతలని గొంతి, కత్తిరి
అక్షయమైన మన మనముకు కొత్త
-యజ్ఞయజ్ఞ ముందుగా గొంతి
పొట్టును, అగ్రగానికి ప్రతిబంధం వచ్చుకొని
మొట్టమొదటి మనముకు -గొంతయజ్ఞం
పొట్టు ముందుగా మొట్టమొదటి మనము!!

దేవతలని ప్రతిక్షణం ఆత్మవర్ణన
పాతకం గొంతికి వారు.
ని నిరక్షణం గొంతికి మొట్టమొదటి
పొట్టు దేవుడు మొట్టమొదటి!!

ఈ గొంతిని వీ పని ప్రామాణ్యం ఇదు!
ని మనోహారం తెలియ
ఇలాంటి ని నిరక్షణం ని ధనముతులకు

అందుకే వారు కొత్త ఆత్మవర్ణన పాతకం!!

Poetry

Every colour is Beautifully related to our life.

Let.. Tricolours colourfully paint in our life.

Be calm and peace like white,

and hope so to stop the terrific war fight,

Bring the india future to Bright,

have the good future to youth to have better sight.

Praise the grazer for growing green,

Hope the trouble creators shouldn't intervene,

and the farmer should not to be lean.

The Sacrifices of freedom fighters Symbolises the Saffron.

I hope now-a-days the service of doctors, health workers may also
Symbolises the Saffron

for their service the vaccination is a Big happen,

And this is my short poetry Tappan.....

☆ friendship ☆

* Truly great friends are hard to find, difficult to leave, and impossible to great.

* A strong friendship doesn't need daily conversation or being together as long as the relationship lives in the heart, true friends never apart

* friendship is the only cement.
That will ever hold the world
together ☺.

* friendship is the
best relationship
in the world.

A friend is

Once upon a time there was a family. They have a pet dog [Sweeto]. The family went to the vacation. They left at home, grandfather because he is a blind person. Suddenly at midnight Sweeto started barking very loudly by listening some sounds, and after that grandfather woke up, he started walking in the room but he was feeling dark as he was a blind.

Sweeto by observing the grandfather he got to know that, he can't walk, suddenly Sweeto started running out and caught the thief, by watching the Sweeto the thief started running away from that place and he saved the grandfather too.

Moral :- Every dog has a humanity and people should also show the humanity towards the dogs and be kind towards them.

Once Upon a time there was a newly married couple. They were happy with their lives.

After few days her mother-in-law started discriminating her. Mother-in-law was not happy with her.

In this, circumstances the lady got conceived, pinky got disappointed the reason behind this is because of her mother-in-law. Days passed out. They were blessed with a baby girl. The parents were happy with the baby girl whereas the grandma was not satisfied because she was a girl with many restrictions.

The baby grew up so her grandma used to restrict her in everything she is not allowed to play, go out and make her own. After bearing all this stuff the girl asked her grandma can I stop breathing so, grandma replied that yes because you are born as a baby girl. The girl said that if it's a situation in a society then I would not be able to see you. Because you are also a girl. As a girl you should not discriminate another girls. If there is not respect from their family how could we expect it from society.

TRUE VALUE OF FRIENDSHIP

Friends are an important part of our lives. We play with them, we share with them. They make us happy. Friends are great fun.

But not all friends are good. Good friends are those who help in times of need. They love you. They will not leave you when you need help. Some friends help you in small ways. Some help in big ways.

Here is a small story of true value of friendship. - once upon a time there was a soldier. He was returning from the war after many years. Before coming home he called his parents. He said Mom and dad I'm coming home but I want you ask you something. His parents replied what is it? He said I have a friend. I want to bring

Story Play

Based on True one

As everyone know that, ⁱⁿ everyone's life there will be someone whom will like or love from our deep heart. So, this story basically depends on or says about the fan love for his/her beloved person. See everyone has someone in their life that he/she wants to be with, it may be in different aspects like it may be anyone like your friend, father, cousin, your fav actor or actress etc. So in other way or another way we can be a fan of anyone no matter. And this ^{story} basically don't say about the fan of an actor or actress, but it may be anyone.

So, the main motive here is that when we are really into that person, we don't feel like living in the world which belongs to us, but we try to get involved around them. We want to know everything about that particular person, every small or major thing which revolves around that person.

Even sometimes we feel very bad, if that person is sad or something and sometimes we do feel happy by
