Dear Anusha S,

It gives me great pleasure to inform your appointment as a **Research Associate** at Mordor Intelligence Pvt Ltd.

I believe you will play a crucial role in helping accomplish our goal of disrupting and leading the market research industry.

As a Research Associate, your responsibilities include but are not limited to:

- Conducting primary and secondary research to create market insight reports
- Identifying new markets and areas to study
- Interacting with clients in analyst calls and prospecting calls

Growth Opportunities: We are expanding rapidly and opportunities for growth within the firm abound. We have a flat organizational structure compared to most market research and consulting firms. The positions we have in our research team in order of growth are

Research Associate -> Research Analyst -> Senior Research Analyst -> Lead Analyst -> Principal -> Research Manager -> Senior Research Manager -> Associate Director

Work culture and hours: We dress casual, work in a collegial atmosphere and have a get-it-done attitude. Work hours are between 10 AM and 7 PM and Saturdays & Sundays are off. That said, we are a young company with a hunger for growth, so if needed, we put in the hours even after office timings or during weekends.
