

## Training & Placement Cell

The Training and Placement cell of this institution provides guidance and all the assistance to the students in order to achieve their career goals. The unit takes right steps in identifying the demands of the current industries and prepares our students towards this need. Adequate emphasis is given for soft skill development complementing the regular academic programs. Aptitude tests and group discussions are conducted at regular intervals to enable the students to improve their performance in competitive exams as well as in placement interviews. The Placement Officer is assisted by the Head of the Departments and student representatives from all the courses. Job oriented training programs are regularly conducted. Our college also welcomes resource persons for taking guest lectures to the students.

The goal of the Training & Placement Cell of the Institute is to provide employment opportunities and world class training to students in leading organizations. It further provides ample opportunities to the students to develop their personality by conducting programs regularly on communication and other soft skills.

Several reputed organizations including MNCs come to the institute for Campus Recruitment. To achieve its goal, the Training & Placement Cell works towards recognizing the core competencies of students. The T& P cell has a structure which conveys information to the students on their strengths and weakness points in reasonable time so as to enable the students to take corrective steps. The Training & Placement Cell firmly believes in 'Industry-Institute Interaction' for which it organizes seminars / conferences/ workshops to provide a platform for the budding students to interact with professionals from various industries. It encourages visits to the industries. It explores for industrial problems to be worked on by students as part of their projects. It also takes suggestions from members of industry regarding designing/changing of curriculum. The Institute intends to sign MOUs with many industrial organizations and industrial chambers.

The Placement Cell promotes extensive links with professional world and works towards creating relationships with various organizations in varied sectors of Pharmaceutical Industry. These linkages encompass curriculum design and development, curriculum delivery by industry experts, mentoring of students by Chief Executive Officers and senior professionals for job placements.

### Vision

To build the nation's one among the best centers of excellence engaged in providing overall Pharmaceutical education including training and research. Bharat Institute of technology (pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

### Mission

M1: To bring to students India's best education, as a combination of teaching theory and practical application of knowledge, and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in the pharmaceutical industry, in academic and health care sector.

M2: To impart education, in a conducive ambience, as comprehensive as possible, with the support of modern technologies and pedagogic tools, and thereby develop in students the abilities and passions to work wisely, creatively and effectively for the betterment of the society.

M3: To impart a Value Based education, where the mind, body and the soul are holistically developed, and major purpose of life is seen by mankind and meeting the great challenges of the future.
