## **E-GOVERNANCE POLICY**

To be recognized nationally and internationally, every educational institution must have a good E-Governance Policy, a good Governance Document, and good Government initiatives. BIT has established an excellent E-Governance Document and has been implementing several good E-Governance initiatives to maintain and make its mark as one of the country's Institutes of Excellence among the Higher education institutions. For the system to run smoothly, governance must be made inclusive, participatory, accountable and transparent.

### **Objectives:**

1. Incorporate e-governance in to several departments of the organization.
2. To enhance the effectiveness of the operations.
3. To encourage transparency and accountability.
4. To minimize the use of paper in office administration.
5. To facilitate internal and external communication among the various departments of the institute connected through internet.
6. To ensure easily accessible information

### **Policy:**

E-Governance policy is implemented in the following areas

1. Planning and development
2. Administration
3. Finance and Accounts
4. Student Admission and Support
5. Examination

E-Governance must be followed in order to create an honest and effective governance system within the institution

### **Website:**

The website must be functioning and reflect the operations of the institution. Offers an easy access to information on all activities, changes, and other important information to the visitor. For updating information, maintaining and working of website, the institution needs a service provider and a system administrator.

## Accounts:

Tally Gold software is used by BIT (Pharmacy) to keep track of finances and accounting. Appropriate security measures should be adopted to ensure transaction confidentiality. Existing workers must be trained, and existing software must be updated on a regular basis. For financial management, the office will continue to use Tally Gold software.

## Library:

For the benefit of students, the institution has a large library with more e-learning facilities. Teachers and students are also involved. BIT (Pharmacy) uses Delplus, Digital Library, DELNET to gain easy access to library services. In the same vein, newer e-subscriptions to learning materials and journals are required based on the Library Committee's recommendations.

## Examinations:

BIT is an affiliated college to JNTUH. Hence all the examinations are conducted as per the notifications given by JNTUH. Admissions, attendance, exam registrations, hall tickets, and marks uploading will be completed via JNTUH website. The college Exam Incharge is responsible for managing the entire examination process under the supervision of the Principal, and while handling examinations, secrecy and confidentiality is maintained and work will be completed with great care and attention.

## E-Governance Policy

To be recognized nationally and internationally, every educational institution must have a good E-Governance Policy, a good Governance Document, and good Government initiatives. BIT has established an excellent E-Governance Document and has been implementing several good E-Governance initiatives to maintain and make its mark as one of the country's Institutes of Excellence among the Higher education institutions. For the system to run smoothly, governance must be made inclusive, participatory, accountable and transparent.

### **Objectives:**

1. Incorporate e-governance in to several departments of the organization.
2. To enhance the effectiveness of the operations.
3. To encourage transparency and accountability.
4. To minimize the use of paper in office administration.
5. To facilitate internal and external communication among the various departments of the institute connected through internet.
6. To ensure easy accessible information

### **Policy:**

E-Governance policy is implemented in the following areas

1. Planning and development
2. Administration
3. Finance and Accounts
4. Student Admission and Support
5. Examination

E-Governance must be followed in order to create an honest and effective governance system within the institution

**Website:** The website must be functioning and reflect the operations of the institution, Offers an easy access to information on all activities, changes, and other important information to the visitors. For updating information, maintaining and working of website, the institution needs a service provider and a system administrator.

**Accounts:** Tally Gold software is used by BIT (Pharmacy) to keep track of finances and accounting. Appropriate security measures should be adopted to ensure transaction

**Sub: DELNET Membership Renewal**

Dear Mr. Shekhar,

I would like to inform you that the membership subscription of DELNET by your Institute is due for renewal on April 09, 2018. We are enclosing herewith an invoice no. 2018/26977 dated 17.2.2018 of Rs.13,570/- (Rs. Thirteen Thousand Five Hundred Seventy only-) towards the DELNET Annual Institutional Membership Fee for the year 2018-2019 (inclusive of GST). The GSTIN of DELNET is 07AAAAD2288G1ZV. Please note that the renewal payment received will be considered from the date of expiry of membership only.

Kindly arrange to send us the payment of Rs.13,570/- through a demand draft in favour of "DELNET" which should be made payable at New Delhi branch. Please note that the payment can also be sent electronically to DELNET bank account. Kindly inform us the bank UTR number and the date of transaction if the amount is remitted through the bank.

With kind regards,

Yours sincerely,

Sangeeta Kaul
