Vision

To build nation's one among the best centers of excellence engaged in providing overall pharmaceutical

Education including training and research. Bharat Institute of technology (Pharmacy) firmly believes that right knowledge and ethical responsibility drives individual commitment for the service of mankind.

Mission

M1: To bring students India's best education, as combination of teaching theory and practical application of knowledge and research in pharmaceutical sciences in order to train them to many positions of leadership and responsibility in pharmaceutical industry in academic and health care sector.

M2: To impart education, in a conducive ambience as comprehensive as possible, with the support of modern technologies and pedagogic tools and thereby develop in the students the abilities and passions to work wisely, creatively and effectively for the betterment of society.

M3: to impart a value based education, where the mind, body and the soul are holistically developed and major purpose of life is seen in the mankind and meeting the great challenges of the future.
